RE: Borough: Manhattan
Block: 175
Lot: 10
Location: 271 Church Street
New York, New York

To Whom It May Concern:

This office has examined the facades in accordance with the Fourth Cycle Filing requirements of Local Law 10 of 1980, Section C27-129.

The attached report, which represents the 1995-97 Fourth inspection cycle, indicates that there is no remedial work required at this time. The Owner had previously authorized that work be performed on the applicable facades. All required work was completed. The building facades generally conform to the criteria subject to Code requirements and applicable provisions of Local Law 10 of 1980 pursuant to C27-129, except as referenced in the report. The building is to be filed, as indicated in Section V, as In Compliance.

Very truly yours,
